

# **Hebei University International Chinese Language Teachers Scholarship Online Program**

## **Application Guide**

For the purpose of adapting to the new situation and promoting the development of international Chinese language online education according to the "international Chinese teacher scholarship management method" and "international Chinese teacher scholarship online project management rules" (trial) of the Center for Education and cooperation (CLEC), we have developed the International Chinese Language Teachers Scholarship Online Program Application Guide.

### **Programs and Qualifications**

1. One-Academic-Year Chinese Language Online Study:

Commencing in September or March.

For Chinese Proficiency Test, HSK (Level 3), a minimum score of 180 is required. HSKK score is preferred.

2. One-Semester Chinese Language Online Study:

Commencing in September or March

Chinese Proficiency Test (HSK) is generally required (no specific requirements for grades and scores).

3. Special online research and training program:

Applications for special online research program from recommending institutions and host institutions are accepted. The number of applicants shall not be less than 15, and the study duration is not less than 4 weeks. The target group number should be Chinese language learners or local Chinese language teachers, and the courses include but not limited to Teaching Chinese to Speakers of Other Languages, Chinese Language, Chinese literature, etc.

*Applicants who provide teaching employment contracts and recommendation letters issued by their employers will not be required to provide HSK certificates for all above programs application.*

## **Scholarship Application Procedures**

1. Applicants log on to cis.chinese.cn to register your personal application accounts and submit the application materials online.
2. The recommending institutions will recommend qualified applicants to host institutions on the basis of review of their applications.
3. Host institutions will review the qualifications of applicants and recommend scholarship candidates to the Center.
4. The Center will entrust an expert panel to evaluate the scholarship candidates, and publish the results in time. Scholarship winners can print their certificates online.
5. The host institutions are responsible for issuing admission letters to the scholarship winners.

*Scholarship will be disqualified if the student fails to register at the time specified by the host institution, or drops out due to personal reasons.*
